In the third volume in the Otherworld series, another crisis faces the Deerfolk. The king has died suddenly, and his two sons both claim the throne. Which one becomes king may mean the difference between life and death for the rufous dwarves in Scomu Ghetto. With the young dwarf Chlukash inspiring them and the bard Svarnil to remind them of their history, a group of the Scomu set off for the long-ruined cities of Tchrkkusk, in search of a place where they can be free.
